Jalene gifts Shagufta of A-1 Towing a firefighter calendar for her donation of \$3,500

A group of 35 of our local firefighters camped out on the roof of Paddy McSwiggins in Thickwood. Their 3rd annual event running for 100 hours was a great hit. Several different local agencies including: Fort McMurray Food Bank, Santa's Anonymous, Unity House, Fort McMurray Boys & Girls Club, and the Centre of Hope will all benefit from this fundraiser. The support from the community and small businesses was outstanding as A-1 Towing donated \$3,500 (\$100 per firefighter), Titan General Contracting gave \$1,000 and Staying Alive First Aid put in \$1,000. The total funds raised broke a record of \$45,000 (and change). Scott Germain was ecstatic as he thanked supporters on behalf of the IAFF LOCAL 2494. What made the event spectacular was Rick Mercer's presence at the pancake breakfast!
